SMP – student mobility for placements:

Some institutions may decide to cooperate in the field of student mobility for placements relying on their partner's knowledge of enterprises to identify host enterprises abroad. The institutions may agree to extend their cooperation to also cover the preparation and follow-up of the placements. In any case, the final responsibility remains with the home institution of the student as reflected in the training agreement.

Final statement

Statement that the institutions will work according to the principles of the Erasmus University Charter and that they will facilitate information on any issue that can facilitate the mobility of students and staff.
