

<b>Programme</b>	<b>LIFELONG LEARNING</b>
<b>Subprogramme</b>	<b>GRUNDTVIG</b>
<b>Action Category</b>	<b>MOBILITY</b>
<b>Action</b>	<b>GRUNDTVIG Visits and Exchanges for Adult Education Staff</b>
<b>Objectives and description of the action</b>	<p>The objective of this Action is to help improve the quality of adult learning in the broadest sense - formal, non-formal or informal - by enabling present or future staff working in this field, or persons who are engaged in the in-service training of such staff, to undertake a work-related visit to a country participating in the Lifelong Learning programme (LLP) other than that in which they normally live or work. In this way, participants are encouraged to gain a broader understanding of adult learning in Europe and, depending on the purpose of the visit, to improve their practical teaching / coaching / counselling / management skills and/or support the work of the host organisation by providing expertise in the area of teaching, management or other related activities.</p> <p>The duration of the visit will vary depending on its purpose, but may not exceed 12 weeks (visits lasting more than 12 weeks will normally be eligible under the "Grundtvig Assistantships" Action - see the relevant page in this Guide).</p> <p>The visits may be carried out singly or, where this is appropriate for the visit concerned, in small groups (in the latter case, a separate application must be submitted for each participant). They may be uni-directional or carried out as part of an exchange between organisations. Where appropriate, one grant may cover visits to several organisations.</p> <p>The visit activities for which grants are awarded must relate to the candidate's professional activities in any aspect of adult learning. This may, for example, have to do with:</p> <ul style="list-style-type: none"> <li>• Carrying out a teaching assignment at an adult education organisation;</li> <li>• Studying aspects of adult education/learning in the host country, such as: the content and delivery of adult education (course content and teaching methodology), the methods adopted to increase access opportunities to adult learning, the management of adult learning (governance at local and regional level, administration and leadership of organisations, budgeting, quality assurance etc.), support services such as counselling and guidance, developing community-based schemes for adult learning etc.;</li> <li>• Studying and/or providing expertise on system/policy-related aspects of adult education including all types of strategic issues, funding models, development of indicators and benchmarking etc.</li> <li>• Undergoing less formal types of training for adult education staff, such as a period of "job-shadowing" (observation) in an adult education organisation or a public or non-governmental organisation involved in adult education (grants to attend formal in-service training courses are available under the "Grundtvig In-Service Training for Adult education Staff" Action - see the relevant page in this Guide);</li> <li>• Attending a conference or seminar, where this will have a demonstrably strong added value for the candidate and thereby for his/her organisation, including the European Conferences relating to Grundtvig Learning Partnerships and Grundtvig thematic events organised by the Commission.</li> </ul> <p>While visits of this kind may, as a desirable side-effect, give rise to future cooperation between the participant's organisation and the organisation(s) visited abroad, applications where this is the primary purpose should be submitted under the "Preparatory Visits".</p>
