Action	ERASMUS Staff Mobility - Teaching Assignments by HEI Teaching Staff and by Invited Staff from Enterprises
Objectives and description of the action	<p>This action enables staff to spend a teaching period between 1 day - or at least 5 teaching hours - and 6 weeks at a higher education institution in another participating country. A minimum duration of 5 working days is strongly recommended.</p> <p>The objectives of this staff mobility for teaching are:</p> <ul style="list-style-type: none"> • To encourage higher education institutions to broaden and enrich the range and content of courses they offer; • To allow students who do not have the possibility to participate in a mobility scheme, to benefit from the knowledge and expertise of academic staff from higher education institutions and from invited staff of enterprises in other European countries; • To promote exchange of expertise and experience on pedagogical methods; • To create links between higher education institutions and with enterprises; • To motivate students and staff to become mobile and to assist them in preparing a mobility period. <p>The teaching assignments may be carried out by teaching staff of higher education institutions and by invited staff of enterprises. In all cases, the activities of staff undertaking a teaching assignment should be integrated into the curricula of the host institution.</p> <p>The partner higher education institutions/enterprise must have agreed in advance on the programme of the activities to be delivered by the visiting teachers (teaching programme). When the person carrying out the assignment is from a higher education institution, the assignment must be based on an inter-institutional agreement between the home and host institution.</p> <p>Teaching staff of higher education institutions are selected by the sending institution, staff of enterprises by the host institution.</p> <p>In the case of staff mobility from an enterprise to a higher education institution, the mobility is arranged by an invitation of the higher education institution to the staff member of the enterprise. The grant is always managed by the higher education institution.</p> <p>Staff members with special needs may apply for a specific grant after they had been selected for a mobility period.</p>
