

Agreement
concerning the
Central European Exchange Programme for University Studies
("CEEPUS III")

The Contracting Parties, wishing to promote cooperation in the field of higher education within the framework of the Central European Exchange Programme for University Studies hereinafter referred to as "CEEPUS III",

have agreed as follows:

Article 1

1) The cooperation among Contracting Parties in the field of higher education and related research, in particular inter-university cooperation and mobility, shall be promoted in accordance with this Agreement.

2) The cooperation referred to in paragraph 1 shall, with the exception of Freemover scholarships referred to in Article 2 paragraph 6, be accomplished in the framework of networks of the Central European Exchange Programme for University Studies as defined in this Agreement.

3) CEEPUS III scholarships are comprehensive grants which shall cover the cost of living, expenses for laboratory fees according to general practice in the host country, where applicable, as well as housing and basic medical insurance, where applicable, during the stay in a host country. CEEPUS III scholarships shall be commensurate with the cost of living in the respective host country and inflation-adjusted.

4) There shall be no transfer of funds among Contracting Parties under this Agreement. CEEPUS III scholarships shall therefore, with the exception of travel expenses, be financed by the host country. Travel expenses shall, where applicable, be financed by the country of

origin. Host countries and participating universities are encouraged to provide additional voluntary funding for CEEPUS III scholarships.

5) In accordance with this Agreement and the rules of procedure adopted by the Joint Committee of Ministers, Contracting Parties shall announce the scholarship months for cooperation (the internal "CEEPUS currency") for each following academic year in annual intervals. The minimum CEEPUS currency amount shall be 100 scholarship months.

6) CEEPUS III scholarships shall be used for mobility purposes only and shall not cover overhead costs or expenses related to organisational or administrative purposes. Contracting Parties and participating universities are encouraged to provide additional voluntary funding to cover these costs or expenses.

7) CEEPUS III scholarship months which have not been consumed may be used for coordination meetings of the CEEPUS III networks, where applicable.

Article 2

1) For the purposes of this Agreement the term "University" means an institution providing higher education which is recognized by the competent authority of a Contracting Party as belonging to its system of higher education. Each Contracting Party shall provide a list of universities that are eligible for CEEPUS III actions once a year.

2) For the purposes of this Agreement the term "academic year" means the period from 1st September of one year until 31st August of the following year.

3) Students registered at universities, regardless of their field of study, shall be eligible for CEEPUS III scholarships, up to and including the doctoral level, provided that the period of study, training or placement is performed at a host university or a host institution in accordance with the present Agreement, where applicable, and is compatible with the curriculum of the home university of the respective student and forms part of his or her university studies.

4) Scholarships shall also be granted to students for practical training or placements at a commercial enterprise, research facility, governmental institution or another organisation in the host country, where applicable, provided that a comprehensive proposal is made by the applicant.

5) Furthermore, the CEEPUS III programme shall support the mobility of faculty members, i.e. the teaching, research and/or artistic staff of a given higher education institution, by granting CEEPUS III scholarships in order to promote transnational inter-university cooperation and to enhance the Central European dimension of university curricula.

6) Scholarships may also be granted to students enrolled at a university outside a CEEPUS III network and to faculty members of universities outside a CEEPUS III network ("Freemovers"), provided that special arrangements for studying or teaching and supervising at such a university exist.
