

GROWING TOGETHER: enlargement - free movement of people

**FREE MOVEMENT OF PEOPLE IN THE EU IS A FUNDAMENTAL RIGHT,
BRINGING BENEFITS TO THE ECONOMY AND INDIVIDUALS ALIKE**

GDP in the 'old' member states increased as a result of post-enlargement mobility

Mobile EU workers pay more in taxes than they claim in social benefits

Free movement benefits individuals: entrepreneurs, workers and citizens can choose where they would like to work and live

2.8% of the total EU population are mobile EU nationals (14.1 million)

Despite the economic crisis, 2 million jobs in the EU remain unfilled
